About Fort Ticonderoga

Fort Ticonderoga is the site of strategic military significance in the 18th century, landmark preservation and the birth of American heritage tourism in the 19th century, and monumental restoration in the 20th century. Your membership will bring you the adventure of discovery each time you visit Fort Ticonderoga and will support new exhibits, innovative educational programming, and the preservation of the buildings, collections, and landscape.

All materials Copyright © 2019 Fort Ticonderoga. Fort Ticonderoga is an independent, nonprofit educational organization open to the public since 1909.
